

HOME LOAN

SOLAR LENDING

The FHA Title 1 and Advantage Loans give homeowners an opportunity to quickly and affordably finance repairs and improvements, including adding solar panels to their home.

Home Improvement Lending:

- No equity or appraisal required*
- Loan decisions for pre-qualification within 24-48 hours
- Obtain up to \$25,000 Title 1 Loan for a single-family home*
- Obtain up to an additional \$40,000 with our Advantage Loan*
- Low fixed rates
- Flexible payment terms
- No prepayment penalties
- Interest may be tax-deductible**

Benefits to adding solar panels to your home:

- Produce clean energy
- Own your power
- Shelter yourself from rising utility costs
- Maximize the full tax benefits and incentives**
- Reduce your utility bills
- Improve your monthly cash flow
